In a Maine Library.

Back from the rugged coast, far removed from the trolley and unmodernized by summer visitors, one may find many little Maine villages and hamlets. seemingly inaccessible to the world outside. Few of the inhabitants have wanside. Few of the inhabitants have wandered beyond the boundaries of the
country, and he is a traveller and important personage who has journeyed to
Portland. Yet the dwellers in these hill
towns prove themselves in close touch
with events of the times through the
agency of the newspaper, the magazine,
the village store with its exchange of
comment—and, greatest of all, the
library.

in a village of some three hundred perconstruction indicates, characteristics of the most diseases of the United States and cure.

In a village of some three hundred persons, reached only by a sandy road up a hill, stands a typical library, the dominating architecture of the town as well as its dominating influence. A visit from it drives from the town as the statistics, selected lists on "books you statistics, selected lists on books you ought to know," and learned papers on "how to attract readers." Five days father in law Will N. Harben in his after the publication of Roosevelt's after the publication of Roosevelt's after the publication of Roosevelt's African Game Trails," in this library the "African Game Traits." in this library the book hid arrived, passed through the book hid arrived, passed through the classifiers' hands and cataloguing department both one person and was being read by the people of the town neighbors reading it together "to save."

Robert Madden's Irishmen.

A new twelve volume edition of Richard and Bobert Madden's "The United Irishmen: Their Lives and Times," edited, with a notes life of the author notes, nice and bibliotoparty to be put out by the Tandy Publishing, the Company, the first volumes of the set to Batz, appear new and the work to be comering pleted early in 1911.

For upward of seventy years Dr Madden's work has been the standard history of English rule in Ireland, but for nearly fifty years it has been out of print.

Harvard-Boston aviation meet was the author John T Trowbridge, whose poem "Darius Green and His Flying Machine" achieved its first popularity more than forty years ago. Curiously this poem has never been brought out in separate form, but now Houghton Miffin Company are to publish a popular edition with illustrations by Wallace Goldsmith who last week flew at Squantum with the British aviator Grahame-White and who is a member of the staff of the Boston Globe, whose prize of \$10.00s for the flight to Boston light was won by Grahame-White.
